COUNTY OF MIDDLESEX, BY HIS PATENT ATTORNEY, JAMES WILSON, OF LONDON, IN THE

1867

1867

A.D. 1885, 6th May. N° 5605.

PROVISIONAL SPECIFICATION.

Improvements in Vases or Holders for Flowers and other
Articles.

I GEORGE GIBBONS of Number 49 King Street Leicester in the County of Leicester Manufacturing Stationer do hereby declare the nature of my invention for "IMPROVEMENTS IN VASES OR HOLDERS FOR FLOWERS AND OTHER ARTICLES", to be as follows:—

- 5 The vase is of a conical shape and is made of paper, cardboard, wood pulp, wood, leather or imitation leather or other material which can readily be bent. The vase is made of a single piece of such material wrapped round into a cone its edges being cemented or otherwise secured together.

- 10 The vase is provided with a handle consisting of a piece of tape or similar material secured to it and forming a loop by which it may be carried. For carrying flowers the vase may be provided at the bottom with a lining of waterproof paper or other waterproof material.

Dated this 6th day of May 1885.

CARPMAEL & Co.,
Agents for the Applicant.

Gibbons' Improvements in Vases or Holders for Flowers and other Articles.

COMPLETE SPECIFICATION.

Improvements in Vases or Holders for Flowers and other
Articles.

I GEORGE GIBBONS of Number 49 King Street Leicester in the County of Leicester Manufacturing Stationer do hereby declare the nature of my invention for "IMPROVEMENTS IN VASES OR HOLDERS FOR FLOWERS AND OTHER ARTICLES" and in what manner the same is to be performed to be particularly described and ascertained in and by the following statement:—

The vase is of a conical shape and is made of paper, cardboard, wood pulp, wood, leather or imitation leather or other material which can readily be bent. The vase is made of a single piece of such material wrapped round into a cone its edges being cemented or otherwise secured together—The vase is provided with a handle consisting of a piece of tape or similar material secured to it and forming a loop by which it may be carried. For carrying flowers the vase may be provided at the bottom with a lining of waterproof paper or other waterproof material.

In the annexed drawings Figure 1 is a front view and Figure 2 is a side view of a flower vase or holder constructed in accordance with my invention.

a is the conical body of the vase or holder; the handle is marked b.

Having now particularly described and ascertained the nature of my said invention and in what manner the same is to be performed I declare that what I claim is

My improved vase or holder for flowers and other articles substantially as herein described and represented by the annexed drawings.

Dated this 19th day of June 1885.

GEORGE GIBBONS.
